Category 1: Looked after children and all previously looked after children, including those who appear (to the admissions authority) to have been in state care outside England and ceased to be in state care because of being adopted. Previously looked after children are children who were looked after but ceased to be so because of being adopted (or becoming subject to a child arrangements order or a special guardianship order).

Category 2: Siblings of children already at the school at the time of entry.

Category 3: Children who at the time of application are living within the Ecclesiastical Parish of Northaw and Cuffley.

Category 4: Children one or more of whose parents/carers have, at the time of application, and for a period of six months previously, at least once in each calendar month, attended public worship at a Church which is a member of Churches Together in England or Evangelical Alliance. Applicants in this category will be required to provide written evidence of attendance from their parish priest.

In the event that during the period specified for attendance at worship the church has been closed for public worship and has not provided alternative premises for that worship, the requirements of these admissions arrangements in relation to attendance will only apply to the period when the church or alternative premises have been available for public worship.

Category 5: Parents/carers who can demonstrate that admission to the school is essential for the medical or social well being of their child. Supporting evidence from a professional working with the child or the family will be required.

Category 6: Any other children.

Does the child live at more than one address and, if so, is there a court order in place which sets out where the child is to live?

.....

Could you also specifically confirm that you will nominate Northaw for the first 15 hours of free childcare funding?

.....
