Art and design

Drawing with Michelangelo

Michelangelo (1475-1564) was an Italian artist, architect and poet, who is considered one of the greatest and most influential of all Renaissance figures. He was celebrated for his art's complexity, physical realism, psychological tension, and thoughtful consideration of space, light, and shadow.

Computing

Creating media:

- Desktop publishing – Learners will look at a range of page layouts thinking carefully about the purpose of these and evaluate how and why desktop publishing is used in the real world.
- Photo editing – Learners will develop their understanding of how digital images can be changed and edited, and how they can then be resaved and reused.
