## Head's Lines

Unfortunately, a few sporting events last week were either disrupted or cancelled due to the wet weather; however, the sunshine seems to have returned now, allowing a group of children in KS2 to participate in tennis on Wednesday. Miss Barker was impressed by their commitment and sportsmanship – well done.

It was the turn of parents and carers of pupils in Apples & Pears to join us for their family lunch on Thursday. Miss Churchward enjoyed supervising the event and getting to know many of the adults.

As a small school, our budget is always tight, and we constantly strive to remain sustainable. Increasingly, we cannot afford the little extras. For them, we rely on the generosity of stakeholders through donations or purchases from the Amazon Wishlist and, even more so, the extraordinary commitment of our PTA. The events they organise also bring our community together. Our PTA are both a lifeline to and the lifeblood of our school, enabling valuable improvements and delivering unmissable experiences. If you would like to support them, please contact the school.

Dr James Inglis  
Headteacher

This half term,  
our value in focus is  
**truthfulness.**

*Be joyful in hope, patient in affliction,  
faithful in prayer. Romans 12:12*

There is a prayer box near the signing-in point for parents – a group share requests confidentially. Our Reflection Champions maintain a prayer tree for pupils. They have written this prayer for us this week:

Dear God,

Thank you for the blissful heat and sunshine. Please help all those people whose family died in the airplane crash. Please help everyone be truthful.

Amen

The headteacher has chosen this scripture for us this week:

*But whoever lives by the truth comes into the light, so that it may be seen plainly that what they have done has been done in the sight of God. John 3:21*

Loving for today,  
Learning for tomorrow,  
Forever in faith

## Anti-Discrimination Practices

Every school is legally required to have both an Accessibility Plan and Equality Objectives; however, we wish to go beyond this, fully committing to anti-discrimination practices. Equality is central to our mission as a church school, and it is essential this finds expression in everything we do.

We do not tolerate discrimination (the practice of treating somebody or a particular group in society less fairly than others) of any kind at Northaw, including homophobia (dislike or unfair treatment of gay people) and racism (the unfair treatment of people who belong to a different race). Everyone is welcome here.

## Dr Inglis' Brain Training

If a brown house is made of brown wood, and a red house is made of red bricks, then what is a green house made of?

Answer: Glass (it lets in the most light to grow flowers)
