When a brave man takes a stand, the spines of others are often stiffened – Billy Graham

Head's Lines

Miss Barker and her dance troupe performing with other schools on Monday heralded a great start to our last week before the short break. The children thoroughly enjoyed themselves having spent many lunchtimes practising their routine.

The focus of Safer Internet Day this year is protecting ourselves from online scams. Pupils across the school have been increasing their awareness of this growing problem.

I would like to thank Hannah for reupholstering the chairs in the reception area – they look simply magnificent.

Dr James Inglis
Headteacher

This half term,
our value in focus is
perseverance.

*Be joyful in hope, patient in affliction,
faithful in prayer. Romans 12:12*

There is a prayer box near the signing-in point for parents – a group share requests confidentially. Our Reflection Champions maintain a prayer tree for pupils. They have written this prayer for us this week:

Dear God,

Thank you for the lovely weeks before half term. Please allow the sun to come out and light up the country. Please help everyone have a wonderful half term.

Amen

The headteacher has chosen this scripture for us this week:

Blessed is the one who perseveres under trial because, having stood the test, that person will receive the crown of life that the Lord has promised to those who love him.

James 1:12

Loving for today,
Learning for tomorrow,
Forever in faith

GOING FOR GOLD

Attendance Matters

The class with the highest attendance this week is **Apples & Pears**.

Five-Star Fashion

Stanley Ivy

Dogs

Dogs of any breed or size, even on a lead, can scare younger children, so please do not bring them on site or near the gates – thank you.

Sickness

The NHS is clear you can send your child to school with a cold, cough, headache, sore throat or stomach ache if they do not have a fever; cold sore or head lice, but please let us know, so we can look after them. If you are not sure, send them to school anyway as they often improve following registration and we would contact you should their symptoms become more concerning.

Dr Inglis' Brain Training

This lives in winter, dies in the summer, and grows its roots upward. What is it?

Answer: An icicle
