Yesterday is history. Tomorrow is a mystery. Today is a gift. That's why we call it 'The Present'

Head's Lines

It has been great to welcome both Ginnie and Mrs Glover back to school this week. They have been missed very much by staff and pupils alike.

Excitement about Christmas is naturally building now we have entered December and the start of Advent, the period of preparation for the celebration of the birth of Jesus. The children have been enjoying opening calendars and spotting naughty elves while also learning about the Nativity. The fortnight ahead is jam-packed with festive events – details can be found here.

It was the turn of a small group in KS2 to attend Every1In, an afternoon of inclusive sports, this week. Miss Barker and Mrs Ryan were very impressed with the how they conducted themselves, and it has been wonderful to hear of their adventures in Going for Gold this morning.

Pupils have been nominating classmates for The N Factor – shining examples of our value in focus. Our Reflection Champions present certificates and trophies to the runners-up and winners next week.

Dr James Inglis
Headteacher

This half term,
our value in focus is
trust.

*Be joyful in hope, patient in affliction,
faithful in prayer. Romans 12:12*

There is a prayer box near the signing-in point for parents – a group share requests confidentially. Our Reflection Champions maintain a prayer tree for pupils. They have written this prayer for us this week:

Dear God,

Thank you for Christmas and Jesus, who came down to Earth. Give hope to people at Christmas, so they can enjoy it. Please help everyone to be kind and grateful.

Amen

The headteacher has chosen this scripture for us this week:

*Now it is required that those who have
been given a trust must prove faithful.*
1 Corinthians 4:2

Loving for today,
Learning for tomorrow,
Forever in faith

Managing Medicines

We can only administer non-prescription medicines when they have been recommended by a professional, e.g. GP, and written consent has been provided beforehand.

Sickness

The NHS is clear you can send your child to school with a cold, cough, headache, sore throat or stomach ache if they do not have a fever; cold sore or head lice, but please let us know, so we can look after them. If you are not sure, send them to school anyway as they often improve following registration and we would contact you should their symptoms become more concerning.
