Friday 29 November 2024

If your actions inspire others to dream more, learn more, do more and become more, you are a leader
– John Quincy Adams

Head's Lines

There has been a nasty bug going around this month, which has not only seen several children absent with sickness but also laid members of staff low, leaving us very stretched at times. We should be back to full strength on Monday; moreover, Mrs Glover is due to return next week.

It was great to see so many of you at the PTA Christmas Fair last weekend. As a small school, our budget is always tight, and we constantly strive to remain sustainable. Increasingly, we cannot afford the little extras. For them, we rely on the generosity of stakeholders through donations or purchases from the Amazon Wishlist and, even more so, the extraordinary commitment of our PTA. The events they organise also bring our community together. Our PTA are both a lifeline to and the lifeblood of our school, enabling valuable improvements and delivering unmissable experiences. If you would like to support them, please contact the school.

Our budding musicians wowed us in concert this afternoon, and I look forward to hearing the choir, expertly led by Hannah, in church on Sunday.

Dr James Inglis
Headteacher

This half term,
our value in focus is
trust.

*Be joyful in hope, patient in affliction,
faithful in prayer. Romans 12:12*

There is a prayer box near the signing-in point for parents – a group share requests confidentially. Our Reflection Champions maintain a prayer tree for pupils. They have written this prayer for us this week:

Dear God,

Thank you for education and all our values. Please make the choir praiseworthy when they sing their Christmas song. Help us to have a relaxing weekend and amazing first day of Advent. Thank you for such a wonderful term.

Amen

The headteacher has chosen this scripture for us this week:

*May the God of hope fill you with all joy
and peace as you trust in him, so that you
may overflow with hope by the power of the
Holy Spirit. Romans 15:13*

Loving for today,
Learning for tomorrow,
Forever in faith

Data Protection

We live in a data-driven world. Almost every transaction and interaction you have with most organisations involves you sharing personal data, such as your name, address and birth date. You share data online too, every time you visit a website, search for or buy something, use social media or send an email.

Sharing data helps make life easier, more convenient and connected. But your data is your data. It belongs to you so it's important your data is used only in ways you would reasonably expect, and that it stays safe. Data protection law makes sure everyone's data is used properly and legally.

To contact Mrs Carole Connelly, our DPO, please email (carole@schoolposervice.com).

Dr Inglis' Brain Training

This is full of keys, but can never open any door. What is it?

Answer: A piano
