To be one, to be united is a great thing. But to respect the right to be different is maybe even greater

Head's Lines

It was great so many of you could join us for Sports Day last Friday. We were blessed with perfect weather conditions, and events unfolded like clockwork as usual – thank you, Miss Barker.

While there is not long before we break for the summer holiday and pupils (and staff) are clearly beginning to flag a bit, this has been another very busy week. Apples & Pears experienced a trip to Tolmers Activity Centre on Wednesday, participating in numerous daring recreations. Willow are looking forward to sharing the fun there too next Monday.

For Y6, yesterday was Secondary Transition Day, and we have enjoyed hearing of their adventures today. For the rest of the school, however, Thursday was Switcheroo, when teachers here met their new classes. Although this can be an anxious time for some children, pupils of all ages adapted to the inevitable changes extremely well.

Offsite, Miss Barker led groups of students in playing cricket on Monday and frisbee on Wednesday. As always, they represented the school with panache – well done.

Headteacher

This half term,
our value in focus is
truthfulness.

*Be joyful in hope, patient in affliction,
faithful in prayer. Romans 12:12*

There is a prayer box near the signing-in point for parents – a group share requests confidentially. Our Reflection Champions maintain a prayer tree for pupils. They have written this prayer for us this week:

Dear God,

Thank you for the lovely weather. May we stay truthful. Please let us have a great last eight days of the term.

Amen

The headteacher has chosen this scripture for us this week:

We ought therefore to show hospitality to such people so that we may work together for the truth. 3 John 1:8

Loving for today,
Learning for tomorrow,
Forever in faith

Parking Safety

The carparks are solely for use by staff. No parent or carer should enter with their vehicle apart from when permission has been expressly given by the headteacher. Please avoid parking opposite the school given the dangers this poses to our children.

Science and DT

When planning science and DT, we carefully follow the latest edition of Be safe! (Health and safety in school science and technology for teachers of 3-to12-year-olds) from the Association for Science Education.
