## Head's Lines

It has been truly delightful welcoming pupils back to school this week, rested and ready to learn. This year promises to be an especially memorable one as we are celebrating 175 years of our small school. Upcoming events for the year ahead have already been added to the calendar on our website.

Last term, we surveyed you along with governors, pupils, staff and other stakeholders about our vision - Loving for Today, Learning for Tomorrow, Forever in Faith. While there was an overwhelming response to retain it unchanged, we also found the children lacked a secure understanding of the meaning. We have, therefore, developed an explanation, which I shared with students yesterday:

**Loving for Today** - *By trying to love everyone, we follow the example set by Jesus*

**Learning for Tomorrow** - *By trying our best at school, we can achieve goals in life*

**Forever in Faith** - *By thinking about our beliefs, we also develop our spirituality*

This half term,  
our value in focus is  
**generosity.**

*Be joyful in hope, patient in affliction,  
faithful in prayer. Romans 12:12*

There is a prayer box near the signing-in point for parents – a group share requests confidentially. Our Reflection Champions maintain a prayer tree for pupils. They have written this prayer for us this week:

Dear God,

Thank you for a wonderful start to the school year. Please help us to be generous to others and make friends in our new classes.

Amen

The headteacher has chosen this scripture for us this week:

*Because of the service by which you have proved yourselves, others will praise God for the obedience that accompanies your confession of the gospel of Christ, and for your generosity in sharing with them and with everyone else. 2 Corinthians 9:13*

Loving for today,  
Learning for tomorrow,  
Forever in faith

## First Aid

Parents or carers should be informed if their child has been unwell at school, hurt or had an accident requiring treatment.

## Head Lice

Head lice and nits are very common in young children and their families. They are not caused by dirty hair and are picked up by head-to-head contact.

## Parking Safety

The car parks are solely for use by staff. No parent or carer should enter with their vehicle apart from when permission has been expressly given by the headteacher. Please avoid parking opposite the school given the dangers this poses to our children.

## Dr Inglis' Brain Training

Why did the kid study on the airplane?

Answer: He wanted a higher education
