*Don't count the days, make the days count – Muhammad Ali*

## Head's Lines

Well done to all those children who took part in athletics on Tuesday, competing against other schools in the area. This is just one example of why we have been awarded gold by the School Games Mark for the fourth year running – thank you, Miss Barker.

It has also been a busy week for school trips. On Wednesday, our youngest pupils visited Lee Valley Animal Adventure Park. In a jam-packed day of learning and fun, the children from Acorns enjoyed getting up close to a variety of creatures and other activities.

Yesterday, it was the turn of Oak to leave the site, ending the day with a visit to the cinema. I would like to thank Amy for the careful preparation that goes into making every educational trip a success.

Dr James Inglis  
Headteacher

This half term,  
our value in focus is  
**truthfulness.**

*Be joyful in hope, patient in affliction,  
faithful in prayer. Romans 12:12*

There is a prayer box near the signing-in point for parents – a group share requests confidentially. Our Reflection Champions maintain a prayer tree for pupils. They have written this prayer for us this week:

Dear God,

We pray for Ukraine and Russia. Let Be Active Week be enjoyable and fun. Thank you for the beautiful sunshine. Please help everyone be truthful.

Amen

The headteacher has chosen this scripture for us this week:

*Jesus answered, 'I am the way and the truth and the life. No one comes to the Father except through me. If you really know me, you will know my Father as well. From now on, you do know him and have seen him.'* John 14:6-7

Loving for today,  
Learning for tomorrow,  
Forever in faith

## Collecting Children

If you have arranged for someone else to collect your child after school, please inform Amy directly.

## Dogs

Dogs of any breed or size, even on a lead, can scare younger children, so please do not bring them on site or near the gates.

## Sickness

The NHS is clear you can send your child to school with a cold, cough, headache, sore throat or stomach ache if they do not have a fever; cold sore or head lice, but please let us know, so we can look after them. If you are not sure, send them to school anyway as they often improve following registration and we would contact you should their symptoms become more concerning.

## Dr Inglis' Brain Training

I never ask you a question but you will answer me. Why?
