Head's Lines

The School Games Mark is a government-led awards scheme launched in 2012 to reward schools for their commitment to the development of competition across their school and into the community. Participating in this process allows schools to evaluate their PE provision and assists them in developing an action plan for future progress.

The School Games Mark silver and gold awards are available to those schools that want to challenge themselves and demonstrate their progress over time against a national benchmark. Having won gold four years running, we have gone one step further and achieved the PLATINUM award – thank you and well done, Miss Barker.

I am delighted to inform you Miss Barker is expecting a baby at the end of this year, and we wish her every possible joy. Mrs Watt, who joined us in January, will be covering her maternity leave.

Headteacher

This half term,
our value in focus is
respect.

*Be joyful in hope, patient in affliction,
faithful in prayer. Romans 12:12*

There is a prayer box near the signing-in point for parents – a group share requests confidentially. Our Reflection Champions maintain a prayer tree for pupils. They have written this prayer for us this week:

Dear God,

Thank you for a wonderful Be Active Week and the sunshine. Please give us the energy to perform well in Sports Day.

Amen

The headteacher has chosen this scripture for us this week:

*Teach the older men to be temperate,
worthy of respect, self-controlled, and
sound in faith, in love and in endurance.*
Titus 2:2

Loving for today,
Learning for tomorrow,
Forever in faith

Clubs

We run a number of clubs at lunchtime, including art (invitation only), Bible, dance, design and gardening, supported by volunteers. The school also has a band and choir.

Reflection

Reflection, careful thought about something, is central to our growth and developing our spirituality, thinking about our beliefs. We maintain dedicated reflection areas, including a garden.

Dr Inglis' Brain Training

Historically, before the Amazon River was discovered, what was the longest river in the world?

Answer: The Amazon River was still the longest even though it had never been discovered.
