

CELEBRATING 175 YEARS

Northaw Newsround

Friday 17 July 2026

Today a reader, tomorrow a leader – Margaret Fuller

Head's Lines

Except for children in Y6, pupils who completed statutory assessments this year will receive their results today – we are extremely proud of what they have achieved. There has been a considerable delay in the government releasing outcomes from KS2 National Curriculum Tests (SATs) due to an IT glitch, but I hope to have reviewed them by Monday.

It has been a particularly long half term, and the children have worked extremely hard; I hope both they and you have a well-deserved and restful holiday. We look forward to seeing them again in September, refreshed and ready to learn.

Dr James Inglis
Headteacher

SCHOOL'S
– out for –
SUMMER

This half term,
our value in focus is
respect.

*Be joyful in hope, patient in affliction,
faithful in prayer. Romans 12:12*

There is a prayer box near the signing-in point for parents – a group share requests confidentially. Our Reflection Champions maintain a prayer tree for pupils. They have written this prayer for us this week:

Dear God,

We pray that everyone has patience with each other during the summer holiday. We hope it remains sunny. Thank you to everyone who has helped us along the way.

Amen

The headteacher has chosen this scripture for us this week:

Show proper respect to everyone, love the family of believers, fear God, honour the emperor. 1 Peter 2:17

Loving for today,
Learning for tomorrow,
Forever in faith

GOING FOR GOLD

Attendance Matters

The class with the highest attendance this week is **Acorns**.

Mental Health

As parents and carers, there are ways we can support our children to give them the best chance to stay mentally healthy.

Encouraging and guiding a child to think about their own mental health and wellbeing are vital skills you can teach them from a young age.

Find out how you can help a child to have good mental health, including knowing how to talk to a child about their mental health, and when to spot signs they might be struggling.

Plus get self-care tips for you, to help you look after your mental health while caring for others, and find out how to get more support if you, your child or your family need it.

Dr Inglis' Brain Training

I cannot be seen, I cannot be touched, you won't hear me and you can't feel me. But I can improve your day – what am I?

Answer: Microwave particles – I can cook your lunch
